WHAT IS **hhg**Inc ?

Home Healthcare Group, Inc. (HHG) is a Christian, faith-based home health care agency that is dedicated to quality, cost effective healthcare in the homes of seniors, children, and the physically and mentally challenged. We take an active role in the community through sponsoring events, giving presentations and educating families about how to gain more independence and improve the quality of their lives. We believe that home medical care is a progressive alternative to institutionalization. Our teams are experienced and responsive to patient needs 24 hours a day.

Home Healthcare Group, Inc.

VALUES

Community ♥

Choice

We develop services that respect human dignity and diversity, and enhance the physical, mental, spiritual and emotional well being of the community. We support individuals in pursuit of fulfilling their potential.

Excellence ♥

Flexibility

We set the highest standards for ourselves to meet the unique needs and expectations of our patients through our programs. We encourage creativity, innovation and new approaches in response to the necessities of individuals, families, organizations and the community.

Cultural Diversity

We discourage the creation of artificial barriers and overcome existing ones by providing medical assistance in the least restrictive manner and in a comfortable setting. We are sensitive to the patients' beliefs, languages and customs.
